However, we do understand that in certain circumstance you may require a leave and accordingly the following leaves can be requested during the internship program.

1. **Exigency/Unplanned Leave:** Any emergency situation or unforeseen event that compels you to miss work, where you are incapable of working due to unavoidable reasons. This can be availed post due approval by supervisor and necessary substantiation. Issues like accidents, bereavement, critical illness or emergency medical reasons may fall in this category. However, these cannot be more than the period of Internship.

2. **Casual leaves:** Any other absence/leave should not exceed more than 5 days across your internship duration, taken with prior approval from your reporting manager. In case this absence/leave extends to more than approved casual leaves, discontinuation of internship can occur at the discretion of the company. We expect these leaves to be taken only when essentially needed so as not to interrupt the internship program.

Before embarking on either of these leaves, you are expected to inform your supervisor/ reporting manager and seek their approval. Do keep your Internship Program team informed as well. Please reach out to program owners to seek any clarification on the above
